MONTHLY ASSESSMENT – II (Ideation and Product Development Phase)
(DATE :___/___/___)

1. Explain briefly Ideation thought process and efforts of your team to reach ideas for listed problems.

   We wanted to make a change in society. Education is one of the ways to bring the best from individuals. Some are not privileged to get an education due to various reasons. The government has provided schemes but their awarness has not reached many minds. In this world of screens, providing the information for their carriers can be a better solution.

2. Enlist any five effective ideas to address the probable listed problems with reason.

   Reason : fewer awarness
   Alternatives - 1) Go door to door to make them aware of the benefits 2) To arrange campaigns 3) To advertise on hoardings 4) Sending girls for higher education 5) Sending girls to work without thinking of their marriage.

3. Explain the most effective possible solution proposed for the problem.

   1) Go door to door to make them aware of the benefits 2) To arrange campaigns 3) To advertise on hoardings 4) Sending girls for higher education. 5) Sending girls to work without thinking of their marriage.

4. Explain the features, functions and working principles/technology/pattern of your proposed solution.

   We have functions like details of job opportunities, direct link to courses and e-books. We have features like language accessibility, availability of resources and video based resources. This is all possible by using java and asp. net.
